23

24 Motion to Dismiss State of Nevada Case C-20-351363-1  
25

26 The defendant above named having taken control of his own defense is demanding the

27 State dismisses charges and case based on actions of the criminal proceedings of the

28 State of Nevada, County of Clark legal systems whereby police, public defenders,

1 prosecutors, judges and district attorney obstructed justice violating the defendants  
2 Constitutional Rights to a fair trial and public defense. Furthermore colluding as a team  
3 obstructing the path to justice to protect the criminal activities of Robert Moos a retired  
4 police officer. Furthermore the legal team of public defenders, prosecutors, district  
5 attorney and judges worked together to protect the criminal police activities of Gabriel  
6 Villanueva who clearly manifested an arrest report to set up the legal system to extort  
7 money and or a guilty plea from the defendant. Furthermore the State District attorney,  
8 court judges, prosecutors and public defenders committed chargeable offences by  
9 colluding in the objective to hide, withdraw elude from the knowledge of manifested  
10 witness statements. Furthermore by reducing charges of "Felony Assault with a Deadly  
11 Weapon upon Elderly Person" to a battery misdemeanor is an objective to keep  
12 defendant from a jury trial. Furthermore the legal team system continued stonewalling,  
13 withholding evidence, manifesting false arrest reports with false statements to induce  
14 fear and extort a guilty plea. Furthermore withholding full disclosure package that  
15 includes full names of witnesses with addresses, police body videos, and pictures of  
16 bodily damages of defendant. Furthermore by denying full disclosure package in a  
17 timely manner, it is the understanding of the defendant that the legal system is  
18 stonewalling the full disclosure package to conceal evidence thus obstructing justice.  
19  
20 Furthermore during court proceeding Benjamin Nadig was fired as public defender for  
21 defendant who reported he has possession of thumb drive with videos and pictures of  
22 defendant and that he would make the thumb drive as well as full disclosure package  
23 available the next day. This was disclosed after the criminal acting judge refused  
24 defendant authorization of the evidence from police. However after multiple phone  
25 calls and emails Benjamin Nadig refuses to respond and give any documentation to  
26  
27  
28

1 defendant. Furthermore the "Battery" (Misdemeanor – NRS 200.481 is a domestic  
2 violence charge.. The judge on this day represented lack of legal skills to dictate legal  
3 precedence. Furthermore the defendant realizes that the objective of the criminal  
4 power elite team is to protect these criminals and legal system at all costs. These  
5 leaders of the legal system have violated the defendants' rights to a fair trial as well as  
6 legal defense. The case is no longer a legal justice center. This is a system of tyranny and  
7 oppression to make a defendant submit to the power of the government. The face of  
8 our legal system has changed.  
9

10 Motion To Demand Jury Trial

11 In the event that the prosecutor will not drop charges the defendant above named  
12 having multiple encounters with the only legal system available realizes that truth in  
13 justice will not be served with a judge. As in previous demands for a jury trial the judge  
14 refused defendant a jury trial under the claims that the sentence is up to 6 months in  
15 jail. This is a set-up of the legal system perpetrated by the attorney general Steven  
16 Wolfson the same attorney who declared notarized witness documents as fugitive  
17 documents without verifying with Chris Adamson. The changes in the Amended Criminal  
18 Complaint created by Steven Wolfson attorney general for the second time contain the  
19 word "Battery" and dealing with the disclosure of battery means domestic violence and  
20 under section NRS.175.011 the defendant qualifies for jury trial. The Attorney General  
21 Steven Wolfson and these court judges have clearly represented malicious intent and  
22 obstruction of justice. They have no clue how they have destroyed the only relationship  
23 the defendant has with his only daughter and family for four years.  
24 The legal motives are clear and transparent in reducing the crime to a misdemeanor  
25 whereas a judge decides the verdict of court proceedings. The defendant knows that the  
26 verdict will be guilty as charged regardless of the defense that adjudicates him of the  
27  
28

1 crime. The documents and witness statements represent that the prosecutor has no  
2 defense. This is no longer a defense between two men. It is a legal system that is  
3 criminal and corrupt with intent to put a man in jail for a crime he did not commit. The  
4 legal system of lawyers and judges are no better than Nazi's during WW2 when Adolf  
5 Hitler took control of Germany. Hitler empowered his police to steal money, jewelry,  
6 furniture, and homes from Jews and anyone who opposed the 3rd Reich. What were the  
7 first questions the court clerk asked me while in jail. Are you Mr. Martin? Yes, How much  
8 money do you have in the bank? Do you own any stocks or bonds? Do you own a home?  
9 Furthermore the defendant has multiple encounters with the legal system whereas  
10 public defenders Jake Gullo, Katrina Ross, Carl Arnold, Tony Worthman, Judge Michael  
11 Villani and the whole legal system have created chargeable offenses of obstruction of  
12 justice. Therefore the defendant is willing to pay for the jury costs when a date and time  
13 is established. Also a time that allows the witnesses to prepare their schedule to attend  
14 court.

15  
16  
17  
18 Motion to Demand Full Disclosure Package, Photos & Police Body Videos

19 The defendant above named demands a release instruction from the judge before court  
20 allowing defendant to get his full disclosure package with witness addresses as well as  
21 defendants pictures and the police body videos from Benjamin Nadig. This has been a d  
22 demand for over 3 years.

23  
24 Motion To Extend Court Date

25 If this is case is going to court, even though evidence has been submitted and available  
26 to the prosecutor and that the legal demands for a jury court met. The defendant  
27 requests an extension of 15 days to prepare and summon additional witnesses and  
28 people to testify as to the behavior of Robert Moos. Furthermore to discredit the claims

1 of Robert Moos bodily damages and police investigator lies as to the claims of damages  
2 to Robert Moos. These claims require doctor's reports. I will summon Robert Moos,  
3 Gabriel Villannueva, Jake Gullo, Tony Worthman, Katrina Ross as hostile collaborators  
4 with intent to obstruct justice. My witness list will include Chris Aadamson and Phil  
5 Henderson who witness Robert Moos attack on defendant. Disclosure of Robert Moos  
6 court conduct Terry and Greg.

7  
8 Demand that Robert Moos be charged with Premeditated Felony Assault  
9 with a Deadly Weapon upon Russell Martin causing bodily injury.  
10

11 Robert Moos has committed a crime of "Premeditated Assault & Battery With A  
12 Deadly Weapon Upon Russell Martin" An elderly person! I will prove this in  
13 court. Furthermore Robert Moos is a **professional retired police officer** with  
14 training. In addition I will prove that Robert Moos perjured himself during  
15 testimony. I will control the legal system. FYI - There is a new DataBase in the  
16 World & it is protected by Russia and other countries outside of United States 4<sup>th</sup>

23 disclosure to politicians, Joe Lombardo, Carolyn Goodman, City Council and Kevin  
24 McMahonill, Sheriff who will be included in my public disclosure list as well as every

minute; ten to fifteen seconds of verbal arguing followed by thirty to forty seconds of the physical altercation. Mr. Adamson stated, "Russ was totally in the wrong." He went on to say that Mr. Martin initiated the argument and Mr. Moos did not instigate it. However, he told me that he was "blown away" that Mr. Moos would hit Mr. Martin with his racquet. He said that he does not know if Mr. Moos had the legal right to hit Mr. Martin in self-defense, but he believes Mr. Moos had "some fault" in the altercation as he hit Mr. Martin over the head with the racquet, first.

At the conclusion of the interview I asked Mr. Adamson if I could call him back if I have any more questions. He said yes and then expressed that he could not believe "this" case was still going on. I thanked him for taking the time to speak to me and ended the call.

INVESTIGATION DIVISION

---

January 24, 2022

---

TO: JAKE GULLO CLIENT: RUSSELL LESLIE MARTIN  
FROM: TONI WORTHMAN CASE NO.: C-20-351363-1  
SUBJECT: KENT SOULE

---

On Monday, January 24, 2022 at 10:40 a.m. I called and interviewed Mr. Kent Soule over the phone. I introduced myself as an investigator with the Clark County Public Defender's Office and explained that my office represents Mr. Russell Martin. Mr. Soule agreed to speak to me.

I began the interview by asking Mr. Soule to walk me through what took place on September 9, 2019. He said that it happened so long ago that he did not recall all the details. I told him that's okay and asked him to tell me what happened to the best of his recollection. Mr. Soule proceeded to tell me that at the racquetball court at LVAC you write your name on the board/list and the next person on the list then plays the winner of the previous game. Mr. Soule was playing on the court and left the court when he was finished; he could not remember who he was playing with that day. He said that Mr. Robert Moos was supposed to play next. However, Mr. Martin got upset because he had been waiting for a while. Mr. Soule did not recall how long Mr. Martin was waiting as he was playing at the time that Mr. Martin put his name on the list. Mr. Soule told me that the next thing he knew, "Russ got crazy and pushed Bob." When I asked Mr. Soule if either man said anything before the fight became physical, he said that when Mr. Martin wanted to play next Mr. Moos said, "Hey, hey, you're not the next on the list." Mr. Soule said that Mr. Martin got a temper and "went crazy." The next thing Mr. Soule knew, Mr. Moos was on the floor bleeding from the head.

I asked Mr. Soule if he saw either man hit the other. He said that out of the corner of his eye he saw Mr. Martin hit Mr. Moos over the head with a racquet. He then saw Mr. Moos on the ground bleeding from the head. I inquired if anything happened after that and Mr. Soule said no; Mr. Moos is an "older guy" and everyone ran over to see what had happened and to help Mr. Moos. Mr. Soule told me, "I still cannot believe it happened." He also said that they are all adults but "acted like a bunch of kids" that day. I asked Mr. Soule if he knew Mr. Martin or Mr. Moos prior to that day and he said yes; they all knew each other because they all played racquetball at the club. Mr. Soule is pretty sure he played a game with Mr. Moos that day.

At the conclusion of the interview Mr. Soule asked me why this case is still going on. I explained that because of the pandemic jury trials had been paused for some time and this case was postponed repeatedly. He also asked if Mr. Martin was in custody and I told him that he is not. Mr. Soule explained to me that he was "not trying to defend Bob or Russ," he just wanted to be fair to both. He also said that he does not want Mr. Martin to go to jail. I told Mr. Soule that I understood, and I appreciated him taking the time to recount what happened that day. I asked if I could call him back with any further questions and he said yes. The call ended.

Chris these are important questions that I gave to the public defender before they called you for a witness interview. However after reading the interview report I was confused?

Their process of interviewing was without a foundation to analyze the truth in an event. The same goes for the policemen. You will understand after answering the questions.

Chris my first question is very relevant to defend myself when dealing with the legal system. Just be honest and forthright. Even if you made the statement the Public Defender should have followed up with inquiring questions. Comments are bullshit! Inquiring questions about an event give truth and disclosure. Also the Public Defenders reported that they did not record the statements. Did they record? YES / NO (Circle One)

In QUOTATIONS the public defender wrote "Russ was totally in the wrong". Did you make this statement exactly as per quotations? YES / NO

Did you say that "Mr. Martin initiated the argument"? YES / NO

Did you say that "Mr. Moos did not initiate the argument"? YES / NO

Chris this is a list of question as per the event breaking it down into seconds and your whereabouts when you finished playing racket ball. Remember Bob has given sworn statements that do not match with events.

1. First was the game you were playing with Paul a practice game or competition? YES / NO
2. Did you sit down next to Russ having a conversation about the next play? YES / NO
3. Where you polite with Russ? YES / NO
4. What type of conversation did you have with Russ? (Polite or Demanding).

The undersigned makes the following declarations subject to the penalty of perjury and says: That I am a peace officer with the Las Vegas Metropolitan Police Department, Clark County, Nevada, being so employed for a period of approximately 2 year(s).

That I learned the following facts and circumstances which lead me to believe that the above named subject committed or was committing the offenses above at the location of 9615 W FLAMINGO RD LAS VEGAS NEVADA 89147 and that the offense(s) occurred at approximately 17:01 hours on the 8th day of September, 2019.

**Details for Probable Cause:**

On 09/08/19 at approximately 1701 hours, Officers were dispatched to the Las Vegas Athletic Club located at 8615 W. Nitigo Las Vegas, Nevada 89147 in reference a battery with deadly weapon. Details of the call stated that a male later identified as Robert Moos (DOB ) was hit in the head with a tennis racquet by Russell Martin (DOB

Upon officers arrival we made contact with the victim Robert who stated that while inside of the racquet ball courts at the Las Vegas Athletic Club he was approached by Russell stating that he had next in line for the court. During the argument Robert had his face pushed by Russell and was shoved against the glass wall inside of the racquet ball court. Robert then swung his tennis racquet in an effort to defend himself. Russell then swung his tennis racquet at Robert striking him on the top of his head causing a laceration to the top of his head and was then pushed to the ground by Russell. Robert was transported to Southern Hills Hospital by an AMR Unit. Photographs were taken at Southern Hills Hospital by LVMPD Crime Scene Analyst.

I read Russell his advisement for custodial interrogation before I asked him questions regarding the incident and he stated that he understood. Russell stated that he had written his name on the glass outside of the racquet ball court in order to claim his spot as next in line to play on the court. Russell stated that Robert ignored the line and began playing on the court before Russell. Robert was then confronted by Russell stating that he had next in line and that it was his time to play on the court. Russell said he was told by another player that he could take his turn after he had lost a game. Russell stated Robert was against him playing and kept stating that it was not Russell's turn. Russell stated that Robert then got close to him while arguing and he pushed Robert on the top of his baseball cap and when he did that Robert hit Russell in the face with his tennis racquet. Russell then pushed Robert forcing him to fall through the glass door on the racquet ball court. I asked Russell if at anytime he swung his racquet to hit Robert and he stated that he did not.

Due to the injuries that Robert sustained from the altercation, multiple witnesses corroborating the story given by Robert, and the inconsistencies in injuries with the story given by Russell, he was taken into custody and transported to the Clark County Detention Center and booked accordingly.

*Wherefore, Declarant prays that a finding be made by a magistrate that probable cause exists to hold said person for preliminary hearing (if charges are a felony or gross misdemeanor) or for trial (if charges are misdemeanor).*
